**June 21<sup>st</sup> General Membership Meeting**

This month's dinner will be a potluck – please bring a dish that's enough for at least four people to share. A reminder to Members to call and RSVP so that we know how much food is being prepared and that there will be enough.

**Membership Dinner Fund**

To date, no funds have been requested in 2010. Dinners so far have mostly been covered by the members attending and paying for their dinners.

The Dinner Fund is not co-mingled with the Club's monies and is overseen by the Board of Directors. These procedures are in place to keep the Club in compliance with the IRS regulations concerning non-profit organizations.

John Snider reported there was \$949.98 in the checking account. The 2009 taxes are complete. The 2008 taxes had to be redone and the Club has been reclassified as a 501(c)(4) by the IRS and is a private foundation. The Club will pay a minimal tax now.

### **New Business**

Tom Randolph reported on the website – there were over 900 page views in the past month...over 300 visitors to the home page.

John Labash proposed about combining with Diablo to do a small bore silhouette shoot and also do a knife/tomahawk competition (with lunch). Rene commented she liked the idea because it would be good for the Club and John Labash said he would try to get the events advertised in Diablo magazine – he asked for \$600 from the Club for each event to cover food, advertising, etc. Attendance would be complimentary as a way of advertising the Club to build membership. The dates are September 4 & 5 for the silhouettes and October 30<sup>th</sup> for the knife throw. The dinner meeting will get a chance to vote. The Board was unanimous for the ideas. Stickers could be given out for participating.

John Labash also offered to have the Club logo redrawn so that there is an accurate computer file available. John also volunteered to look into some new shirts, sweatshirts, etc. for the Club.
